Work Experience

Financial Modelling Contributor - Project-based

Golden Sunrise, senior-care venture | Ho Chi Minh City, Vietnam | 2026

- Contributed a financial model supporting a successful US\$150,000 fundraising round.
- Prepared further models for planning and analysis; the fundraising model included DCF and investor-return valuation, scenario, sensitivity, and Monte Carlo analysis.

Founder

Prospire Capital | Ho Chi Minh City, Vietnam | 2023 - Present

- Developed an internal portfolio and risk-analysis workstation for personal research workflows.

Accountant (Intern)

ASCO | Ho Chi Minh City, Vietnam | Internship | 2023

- Supported accounts payable/receivable, bank reconciliations, and month-end close.

Management Trainee

Dai-ichi Life Insurance Vietnam | Ho Chi Minh City, Vietnam | Internship | 2024

- Built personal financial-planning models and supported client advisory sessions.

Selected Projects

Prospire Portfolio Workstation - Founder and Product Engineer. Internal portfolio and risk-analysis views

Two Cents Hustler - Product Engineer. Public market explainers and tools
